FANS of "Philip Hoffman," take note — there are two: Oscar winner **Philip Seymour Hoffman** of "The Savages" and "Capote," and plain old **Philip Hoffman**, the Broadway vet ("Fiddler on the Roof," "Into the Woods") who's in **Harvey Fierstein's** "A Catered Affair," previewing this month, and who joined Actors' Equity Association years ahead of his plumper, more famous namesake. "The good thing is, at least one of us is always working," the lesser-known Hoffman told The Post's unrelated **Barbara Hoffman**. The same-named actors met while making an episode of "Law & Order." "He's very gracious and talented, thank God," Phil H. says of Phil S.H. "But to avoid confusion, I think I'll change my name to Philip Dustin Hoffman."
